# What is it you need...?

## ...parts cleaning in our burn-off ovens?

Our ovens can remove a wide range of paints, powder coatings, polymer and rubber from steel parts.

- Fast turnaround door to door
- Discounted prices for repeat contracts
- Additional hi-pressure wash available if required

**“no more manual cleaning!”**

**Call: 01254 680501**

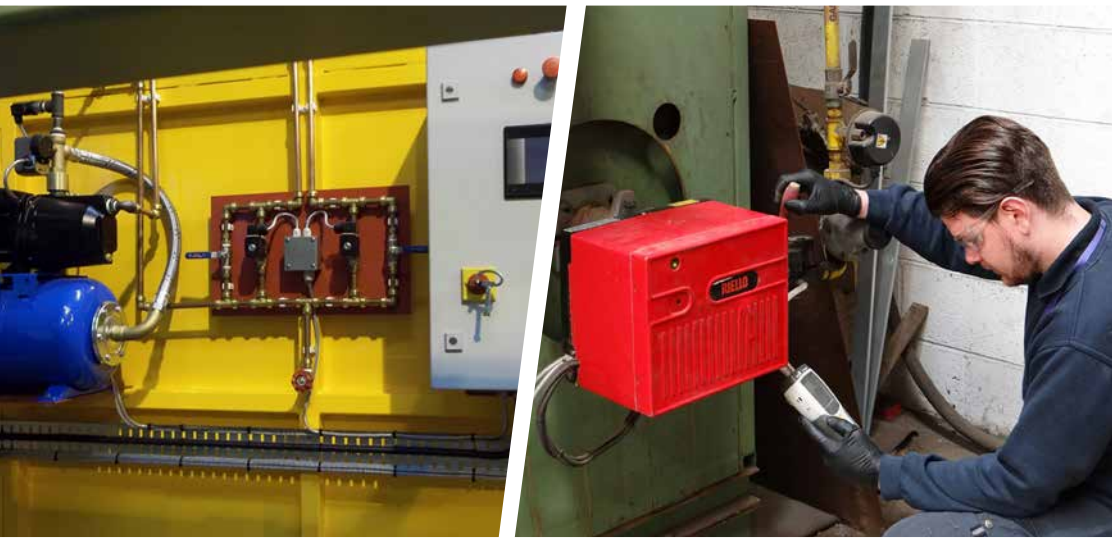

## ...to buy a burn-off oven, maybe replace your old oven?

- Wide range of standard models from 1m<sup>3</sup> up to car body size
- Specialist polymer and paint/coating models available
- PLC control with remote diagnostics
- Fuel types include natural gas, propane and diesel

“no more  
breakdowns”

Email: [enquiries@bmlongworth.com](mailto:enquiries@bmlongworth.com)

## ...servicing and maintenance of your current burn-off oven?

- Gas Safe registered engineers
- 20+ years experience of oven set up, processing and operation
- All site work from replacement of thermocouple up to full re-insulate and rebuild
- Planned maintenance and service packages available

“  
**more piece  
of mind &  
reliability**  
”
